NOTE: Dear Ms. Lewis:

IPE

Pursuant to our telephone conversation of this afternoon, attached are copies of a Petition for Revival of an Application for Patent Abandoned Unintentionally, an Issue and Publications Fee(s) Transmittal and a fax receipt showing these were sent to and received by the PTO on July 25, 2005. At the time these documents were faxed to the PTO, our facsimile machine telephone no. was not being recognized by the PTO's fax machine and we did not receive the PTO confirmation. A check of PAIR does not show that the Petition has been entered into the record.

We appreciate your willingness to assist us in getting these documents into the system and proceeding with issuance of the patent grant. If you need anything further to assist you, please let us know at any time.
